COMMERCIAL AND CORPORATE

Brand films, interviews and corporate days in Singapore and across the region: a radio mic on every speaker, a separate track per person, files and sound report the same day.

"Ande was brilliantly diligent on our adaptation of Lord of the Flies. He was meticulous with radio miking and provided a multitude of rainforest wild tracks recorded on location."
MARC MUNDEN, DIRECTOR · UNITED KINGDOM

"A complicated multi-cam and PTZ setup with celebrity talent in a very challenging location, and Ande always found a way to make things work, at one point routing audio across the setup using the fibre optic line the PTZ team had laid underwater for camera."
JOSH PATIL, EXECUTIVE PRODUCER · BALIPROD FILMS, INDONESIA

"Working with Ande on Inside Crime Scene was an absolute pleasure. Passion, professionalism and positivity. Ande rocks!"
EMMA NEUBRONNER, EXECUTIVE PRODUCER · SINGAPORE
